Mr. Joe Schieffelin, Unit Leader
Hazardous Waste Control Program
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80222-1530

Gentlemen:

We are issuing to you copies of the Draft Proposed Action Memorandum (PAM) for the Operable Unit (OU) No. 1 (881 Hillside) hot spot removals. The PAM is being made available for 30 days public comment, as per the proposed amendment (94-DOE-07111) to Paragraph I.B.10 of the Interagency Agreement (IAG), July 18 through August 17, 1994. At the conclusion of the public comment period, we will take up to 14 calendar days to prepare a Responsiveness Summary. The Responsiveness Summary and a revised PAM will then be submitted for you to approve within seven days.

Additionally, we are requesting, as per the proposed amendment to Paragraph I.B.10 of the IAG, to conduct preliminary activities to: "... include conducting appropriate sampling and conducting any studies and administrative activities prerequisite to implementing the remedial actions proposed in the PAM." We would appreciate a response to this request within two weeks.

Please contact Scott Grace of my staff at 966-7199 if you have any questions regarding this material.

Sincerely,

A handwritten signature in dark ink, appearing to read "Steven W. Slaten", is positioned above the printed name.

Steven W. Slaten
IAG Project Coordinator
